

FLORENCE TOWNSHIP FIRE DISTRICT NO.1

301 – TRAINING GUIDELINE AND PAYMENT OR REIMBURSEMENT

PURPOSE:

To define a training class guideline and payment or reimbursement schedule for classes that members have not passed or have dropped out of.

INTENT:

To be able to recoup monies paid out for classes that members do not pass, drop out or got removed from for unknown reasons.

TRAINING CLASSES:

Members are to take/attend training classes according to the training guideline established and attached to the SOG. Members are to take classes in order on the guideline unless approved by the Department Chief. All training will be approved by the Department Chief or his designee.

PAYMENT OF CLASSES:

The Fire District will pay for training classes for members as long as they are following the recommended class criteria for their membership classification or years of service.

REIMBURSEMENT OF FEES:

If for any reason a member fails, drops out or is dropped out of class the member is to reimburse the Fire District for the amount of monies paid for the class.

If there is a specialized class that was approved by the Department Chief or Fire District then a repayment schedule will be agreed upon by the Fire District and member taking class. Ex. Medic School.
