

FLORENCE TOWNSHIP FIRE DISTRICT NO.1

698 EXPLOSIVE DEVICES & THREATS

PURPOSE:

To establish a procedure for response to an incident of a located explosive device or threat of an explosive device within Florence Township.

SCOPE:

All active Florence Township Fire Department firefighting personnel.

PROCEDURE:

1. With the exception of chiefs, all other firefighters & apparatus shall remain at fire station until further instructed by the Incident Commander (IC). If a Chief is not available, the highest-ranking officer of the Station within the response district of the reported device threat shall respond.
2. The IC will coordinate with the police department officials to determine the need and/or placement of fire apparatus if necessary.
3. Once the incident has been declared terminated, the IC shall notify Central by radio that the incident has been terminated and that all firefighters can be released.
